Guidelines

- Kindly use the given template for submitting your prototype(Make a copy of the template)
- One team is only required to submit one project.
- Follow this template while preparing your presentation.
- You are welcome to add as many POCs and design concepts to support your project.
- The project should be feasible and the team members should be capable enough, to come up with the fully functioning prototype of the same idea, if required.
- In case of queries, kindly reach out to us at solutionchallengesupport@hack2skill.com

Note: Prototype must include cloud deployment and use at least one Google AI model or service (e.g., Gemini) as part of the solution.
